

New Feature - Print Item Property Report

This new feature from software version 36527, allows you to report several properties for several items in a table format.

On this page you can print a Report for the Properties of Item / Items.

In this example we are printing an Item Property Report for the following items .pdf format.

Once fields have been selected, click Print and the results open in a new window.

Mini Tip

Here is a reminder of the Formpak Support options...

All of our training and support material can be accessed from our **Support Centre**. The Support Centre is available 24/7 and is a great resource to use at your convenience. It includes:

- Over 100 training and support articles
- Links to training videos
- Quick Start Guides
- The Formpak Training Matrix

The Support Centre can be accessed on the Home screen of Formpak software or via the following link:
https://formpak-software.com/Support_Centre/Pages/Support_Centre.html

You can contact us by **Email** or **Telephone** - Email: support@formpak-software.com / Phone: +44 (0) 1235 250 020

Our Support Team are available Monday – Friday 8:30 to 17:30 (GMT)

The Formpak **Help Centre** is included directly in Formpak software, just press the 'Help' button to access it. The Formpak Help Centre offers explanations for each function of the application as well as a glossary of the technical terminology used.

View our **YouTube** channel with lots of helpful guides and information about Formpak
