## FORMPAK NEWS

Despite the continued global disruption due to COVID, 2021 has been an exciting year here at Formpak.

In April, we launched our new branding, including a refreshed logo and website. This marked our first rebranding in over a decade. Through the new brand identity we hope to better capture us as a company, who we are and what we offer. In July we entered our 40<sup>th</sup> year. To reach this level of longevity in the fast paced software and technology industry is an achievement we are incredibly proud of. Sincere thanks to all of our customers for your support over the years.

1982 - Formpak starts life as Mitron	2008 - Mitron becomes Formpak Limited	2015 - Formpak moves to Colworth Park	2021- Formpak is now used in 21 countries
Our longest serving customer has been using Formpak for over <b>35 years!</b>			

This year we have had a record number of new Formpak customers. In fact, we had more customers join us in 2021 compared to the previous 3 years combined! Next year is looking incredibly busy already. We have been delighted to welcome users from around the globe with new customers in Los Angeles and in Sydney. To help support our growing user base, we welcomed a new team member in September. We would like to introduce Jane Scott our new Sales and Support Administrator. Many of you may have already received communication from Jane.

## FORMPAK VACANCIES

Due to our continued growth we are currently recruiting for several positions:

- Project Manager
- Senior Software Developer
- Product and Support Manager
- Product and Support Administrator

More information about these positions can be found on the Careers page on our website:

## NEW PRODUCT RANGE

Over the past year we have been re-thinking the product range we offer new customers. The goal was to enable customers to build the ideal solution for their business. The new products also include additional licensing options, making multi-user systems a viable option for smaller businesses.

We did a soft launch of the new products in the final quarter of this year, with many customers already taking them up. More information about these new products will be available on our website in the coming weeks. If you would like more details before then please contact us at:

## FORMPAK USER LINKEDIN GROUP

We have created a new group on LinkedIn for Formpak Users. The aim of this group is to give Formpak users globally a place to share ideas, tips and to get to know each other.

You can join the group here: <https://lnkd.in/dE8xDXmp>

We have also been posting more regularly on our LinkedIn Company page, and invite you to please follow us [here](#).

## MAILING LIST

We send out monthly communications to our customers, if you would like to add a colleague to our mailing list please contact our support team at [support@formpak-software.com](mailto:support@formpak-software.com).

## CHRISTMAS OFFICE CLOSURE

We close on Friday 24th December at 4:00pm and re-open on Tuesday 4th January at 8:30am (GMT).

During this time emails to individuals will not be monitored.

Please send support requests to [support@formpak-software.com](mailto:support@formpak-software.com)

## *Merry Christmas & Happy New Year*

Thank you for your ongoing business this year, we look forward to working with you next year and beyond.

We would like to wish you a Merry Christmas and a successful 2022!

*From everyone at*
